"Certainly," said the "cracker," his Clyce. s no less radiant than that of the lork; "mine's rye."-The Argonaut.

Historical controversies are creep ing into the schools. In a New York public institution attended by many es, during an examination in history the teacher asked a little chap who discovered America.

He was evidently thrown into a

canic, and hesitated, much to the e's surprise to make a reply. "C2 please, ma'am," he finally

ammored, "ask me somethin else."
"Bome, hing else, Jimmy? Why
hould I to that?"

"The fellers was talkin' bout it yesterday," replied Jimmy. "Pat Mcsint, Olar he said it was a sailor from Norway, and Glovanni said it was Columbus, an' if you'd a seen what happened you wouldn't ask a title feller like me,"-Kansas City

### What He Wanted.

Arthur H. Engelbach, in his colletion of ansodotes of the beach, tells this story about Lord Braxfield, who was among the last of the Scottish judges who rigidly adhered to the broad Scotch dialect:

"Has ye ony counsel, mon?" he id to Maurica Margot when placed

Weather Conditions.
Plus fall weather prevails gene ader the influence of an exter ares of high pressure covering the entire country except New England and the Fiorida Peninsula. In the and the Florida Peninsula. In the latter sections the weather is nusettled and some showers have occurred. The weather is also showers in the Pacific Northwest, Temperatures are moderate for the season. No change in weather conditions is indicated for this locality over the week end.

### AS THE **NEWS BREAKS**

FORT WORTH, Tex., Oct. 30.-Riverside, a suburb of Fort Worth, is ng an election today to determine whether the city should inchange are putting forward improve-ment of streets, installation of an electric lighting system, sewage disposal plant and methods of increasing the population as reasons why the proposition should be voted. They believe that at the start of the city there should be only one official or the payroll, a city marshal and super intendent of streets.

DALLAS, Tex., Oct. 30,-As a rego up a river. sult of the efforts of J. H. Avery. chairman of the State Livestock Sanitary Commission, to eradicate cattle ticks from the State, elections are being held today in Concho and Coke Counties. An election will be held in Cooke County November 6, and one in Archer County November 16 for the eradication of ticks and the construction of dipping vata. Petitions are being circulated in a number of other counties for elections.

DALLAS, Tex., Oct. 30. - Merand members of the local chambers of commerce are assembled in Dallas today for the purpose of organizing what is to be known as the Texas Chamber of Commerce. The invita tion to business men to assemble for such an undertaking was issued by President Louis Lipits of the Dallas chamber. The idea of a State chamber originated at a meeting of a meeting of a number of business men at Austin during a hearing of the State Railroad Commission. At that lime a committee was appointed with Morris Stern, president of the Gal-veston Chamber of Commerce, to con-sider such an organization.

DALLAS, Tex., Oct. 30, - Among the football games scheduled to be played in Texas today are:
